

# Bharat Talent Search Exam 2026

Std. 6th  
Time : 2 hr.

Medium : English

Total Qus. : 75  
Total Marks : 150

Subject : Language, Mathematics, Science, Geography, Civics, Logical Thinking

## Section A

Instruction for Q.1 to Q. 3 - Read the poem and answer the following questions.

### The Magical Jungle

In the heart of the jungle, where secrets reside,  
A world full of wonders, where nature's the guide.  
Tall trees stand proud, their branches reach high,  
While colorful birds in the canopy fly.

The roar of the tiger, the elephant's call,  
The chattering monkeys, they enchant us all.  
Bright butterflies dance, and snakes quietly glide,  
In this vibrant home where creatures abide.

The jungle gives life, with its plants and its streams,  
A world full of magic, like in our dreams.  
It cleans the air, and it shelters the land,  
A gift from nature, so precious and grand.

Let's protect this treasure, so wild and so free,  
For the jungle is vital for you and for me.  
A place of beauty, of balance, of grace,  
The jungle is Earth's most magical space..!

- Q.1. What is the central theme of the poem The Magical Jungle?  
1) Destruction of nature  
2) Animal cruelty

 1) 16    2) 20    3) 15    4) 28

Section B

**Join BTS Music Club!**  
**Want to learn music and have fun?**  
*Come and play instruments like the guitar, piano, drums, flute, violin, cello, and more!*

**Special Offers for You!**  
❖ Early Bird Discount  
❖ Group Booking Offers  
❖ Expert Teachers  
❖ Learn Two Instruments Together  
❖ For Children Aged 10 to 17 years

**Limited Time Offer:**  
Register before May 10th, 2025  
(Offer from May 1 to May 10 - only 10 days!)  
Visit BTS Music Club  
Call us at 123 456 789 000

**Unlock Your Musical Talent – Join BTS Music Club Today!**

Instructions for Q. 16 to Q.17 - Read the advertisement and answer the questions.

Q.16 If you wanted to learn to play the guitar, what should you do according to the advertisement?

- 1) Call 123 456 789 000
- 2) Visit BTS Music Club
- 3) Option 1, 2 and 4
- 4) Register for lessons before May 10th, 2025

Q.17 The limited period offer is from May 1st to May 10th, 2025. How many days is the offer valid for?

- 1) 9 days
- 2) 11 days
- 3) 10 days
- 4) 12 days

Q.18 Which pronoun is used for a things?

- 1) He
- 2) She
- 3) They
- 4) It

Q.19 Which of these is NOT a proverb?

- 1) A rolling stone gathers no moss.
- 2) Curiosity killed the cat.
- 3) Fortune favors the brave.
- 4) Once upon a time.

Q.20 Choose the correct possessive pronoun :

'This book belongs to Shalini. It is \_\_\_\_\_'

- 1) her
- 2) hers
- 3) she
- 4) mine

Q.21 A shopkeeper divided  $\frac{2}{3}$  of a chocolate bar among 4 children. How much of the chocolate bar did each child get?

- 1)  $\frac{1}{3}$
- 2)  $\frac{3}{4}$
- 3)  $\frac{1}{6}$
- 4)  $\frac{8}{3}$

Q.22 A basket contains 200 red and 175 yellow flowers. If we want to make garlands with the same number of flowers, what is the maximum number of flowers could be in each garland?

- 1) 32
- 2) 36
- 3) 25
- 4) 30

- Q.23 The LCM of two consecutive even numbers is 24 and HCF is 2. What are those numbers?  
1) 2 and 4                      2) 4 and 6                      3) 6 and 8                      4) 8 and 10
- Q.24 Which of the following number is divisible by 11, 12 and 22 ?  
1) 132                      2) 134                      3) 140                      4) 128
- Q.25 What is the graph called in which information is shown in vertical form?  
1) Pie chart                      2) Bar graph                      3) Pictograph                      4) None of these
- Q.26 Overeating can lead to...  
1) Malnutrition                      2) Obesity                      3) Nutritional deficiency                      4) Overweight
- Q.27 Helping each other during a disaster is our ..... responsibility.  
1) Historical                      2) Cultural                      3) Moral                      4) Financial
- Q.28 As soon as Deepika realized that a house in the next lane was on fire, she immediately called ..... number.  
1) 100                      2) 108                      3) 101                      4) 105
- Q.29 There are 5 shoes in a room - 3 white and 2 black. You have to pick the shoes in the dark. What is the minimum number of shoes you must pick to get a pair of same colour?

1) 19                      2) 17                      3) 16                      4) 15

### Section C

Instructions for Q. 31 to Q.33 - Read the Poem and answer the questions.

#### The Journey of Human Civilization

In ancient times, on Indian soil so wide,  
Humans began their journey, with nature as their guide.  
From caves to huts, they learned to build and stay,  
And slowly, step by step, they found their way.

The wheel was born, a marvel of the mind,  
It changed the world, leaving darkness behind.  
Carts rolled on paths, trade began to grow,  
Connecting lands where rivers gently flow.

In fields of gold, they sowed the seeds with care,  
Agriculture flourished, feeding all with its share.  
From plows to harvests, they worked the land,  
Creating plenty with their skillful hand.

From Indus Valley to the Ganges' shore,  
Civilizations rose, with wisdom to explore.  
Temples and schools, art and science too,  
India's heritage, a vibrant, colorful hue.

Through thousands of years, progress never ceased,  
From wheels to rockets, humanity was released.  
Let's cherish this journey, so grand and divine,  
For human civilization is a treasure, truly divine!

- Q.31 What does the poem say about India's heritage?  
1) It is dull and boring  
2) It is only about temples  
3) It is unknown  
4) It is vibrant and colorful
- Q.32 What does the line 'From wheels to rockets, humanity was released' suggest?  
1) Humans have made continuous progress over time  
2) Humans stopped progressing after inventing the wheel  
3) Rockets were invented before the wheel  
4) Humans no longer use wheels
- Q.33 How did the invention of the wheel change human life?  
1) It was used only for farming  
2) It helped humans fly  
3) It made transportation and trade easier

4) 35

- Q.40 What makes bones strong?  
1) Calcium                      2) Phosphorus                      3) Iron                      4) Copper
- Q.41 Ajinkya carried a plastic carry bag with him while going to the market. What do you think about this?  
A) Ajinkya's action is correct.  
B) Ajinkya should have taken a cloth bag instead of a plastic carry bag.  
C) Ajinkya's action is incorrect.  
D) Cannot be said.  
1) Only A is correct              2) Only B is correct              3) Only B and C are correct              4) Only D is correct
- Q.42 Which sea is located to the west of India?  
1) Bay of Bengal              2) Arabian Sea              3) Indian Ocean              4) Red Sea
- Q.43 Just as Panchayat Samiti : Gan :: Zilla Parishad : .....
- 1) Assembly Constituency                      2) Parliamentary Constituency  
3) Electoral Division                      4) Ward
- Q.44 If the code for SCHOOL is 432115, then what will be the code for LOSS?  
1) 5144                      2) 4154                      3) 4411                      4) 4522
- Q.45 A boy walks 20 m north, then 10 m east, and then 20 m south. How far is he from his starting point?  
1) 50 m                      2) 0 m                      3) 20 m                      4) 10 m

### Section D

Instructions for Q. 46 to Q.48 - Read the Paragraph and answer the questions.

#### Bal Shastri Jambhekar

Bal Shastri Jambhekar, often hailed as the father of Marathi journalism, was a pioneer in many fields. Born in 1812, he was a brilliant scholar, proficient in several languages. He started the first Marathi newspaper, Darpan, in 1832, which played a crucial role in awakening social consciousness and spreading knowledge. Jambhekar believed in the power of education and used his newspaper to advocate for social reforms. He was a strong advocate of Western education and believed it was essential for the progress of India. He also established Digdarshan, a Marathi monthly, focusing on science and history. Jambhekar's writings covered a wide range of topics, from politics and economics to science and literature. He was a true visionary who understood the importance of communication and used it to empower the people. He was also a great teacher and inspired many students. His contributions to Marathi literature and journalism are immense. Jambhekar's efforts helped to shape modern Maharashtra. He was a true leader and a role model for future generations. His legacy continues to inspire journalists and writers even today. Bal Shastri Jambhekar passed away in 1846, but his impact on society remains profound.   - 4) 1000 rupees
- Q.53 A number is first increased by 20% and then decreased by 20% What is the net change ?
- 1) 0%
  - 2) 2%
  - 3) 4% decreased
  - 4) 4% increased
- Q.54 If the cost price is Rs. 3200 and the selling price is Rs. 5600, will there be a profit or a loss? What percentage?
- 1) 75% profit
  - 2) 75% loss
  - 3) 51 % profit
  - 4) 51% loss
- Q.55 When a force is applied and an object undergoes displacement, it is said that ..... has been done.
- 1) Energy
  - 2) Work
  - 3) Heat
  - 4) Speed
- Q.56 If a car travels 120 km in 6 hours, what is its speed?
- 1) 100 km/hour
  - 2) 60 km/hour
  - 3) 60 m/second
  - 4) 20 km/hour
- Q.57 In which state is the 'Ballarpur' coal mine located?
- 1) Madhya Pradesh
  - 2) Maharashtra
  - 3) Rajasthan
  - 4) Jharkhand

- Q.58 There are ..... for waste collection in the city.  
 1) Horse carts                      2) Bell-ringing waste collection vans (Ghantagadi)  
 3) Waste pickers                    4) Goods train
- Q.59 Instructions for Q.59 and Q.60:  
 Which number will come in place of the question mark in the following?  
 7, 15, 22, ?, 36  
 1) 23                                      2) 28                                      3) 36                                      4) 29
- Q.60 1, 9, 25, 49, ?  
 1) 81                                      2) 121                                      3) 144                                      4) 169

### Section E

- Q.61 Which of the following words has a suffix?  
 1) Successful                      2) Rocket                                      3) Space                                      4) Launch
- Q.62 Which of the following sentences is grammatically correct?  
 1) ISRO have launched many satellites.                      2) ISRO has launched many satellites.  
 3) ISRO is launched many satellites.                      4) ISRO are launched many satellites.
- Q.63 Choose the correct prepositions to fill in the blanks:  
 She is traveling \_\_\_ Mumbai \_\_\_ train.  
 1) in, by                                      2) from, on                                      3) at, with                                      4) to, by
- Q.64 She has been learning cooking \_\_\_\_\_ six months and serving in a hotel \_\_\_\_\_ last month.  
 1) with, for                                      2) for, since                                      3) among, since                                      4) without, for
- Q.65 Which of the following is a superlative degree phrase?  
 1) Faster than before    2) The fastest rocket    3) Fast as a rocket    4) Very fast
- Q.66 How much interest will have to be paid on a loan of Rs. 600 at a rate of 12% per annum for 4 years?  
 1) 188                                      2) 288                                      3) 588                                      4) 388
- Q.67 If the length, width and height of a cuboid are equal, what is it called ?  
 1) Sphere                                      2) Cylinder                                      3) Cube                                      4) Pyramid
- Q.68 A 25 m x 45 m plot of land was sold at ₹ 500 per square meter. What was the total selling price?  
 1) Rs. 560,500                      2) Rs. 460,500                      3) Rs. 568,250                      4) Rs. 562,500
- Q.69 A garden is rectangular in shape. If length is 24 m and width is 14 m. If flowers are planted in  $\frac{1}{4}$  part of the garden, What is the area of the remaining part ?  
 1) 252 square meter    2) 336 square meter    3) 168 square meter    4) 84 square meter

- Q.70 Kisanrao borrowed Rs. 25,000 from a bank for one year. After one year, he repaid a total of Rs. 26,750 to the bank. At what interest rate did Kisanrao borrow the money?
- 1) 7%                                      2) 8%                                      3) 12%                                      4) 13%
- Q.71 Identify the odd pair.
- 1) Self-luminous source of light or source of heat – luminous object or substance  
2) Non-luminous object or substance – Non-luminous object or substance
